

# Build Your Own **HELL**

STEP 1: Think of a list of sins which you consider worthy of Hell.

STEP 2: Rank the sins you have listed, from least serious to most damnable.

STEP 3: Copy your ranking of sins below and on the next page, with suggested relevant punishments. If you wish, you may divide circles into different levels, as Dante does.

REMEMBER: For this lesson, it does not matter if your personal beliefs support or oppose the concept of Hell as an eternal place for the damned. Everyone is able to identify different types of evil and rank them based on which is most severe. For the sake of this lesson, simply assume that there is such a place. This assignment is not about religious questioning- it is about evaluating the NATURE of evil.
